New Trash Collector Approved for Eureka

Meridian Waste will be the new trash provider for 2023 for the City of Eureka. The contract includes City-wide residential trash, recycling, yard waste, bulky items and white goods. Please note that unlike our current contract, the upcoming Meridian Waste Contract does not provide for unlimited trash pick-up and only trash or recycle that is placed in a Meridian Waste cart will be picked up. (bulky items and white goods have different rules, see below)

A few highlights of the contract:

- The monthly rate for trash/recycling and yard waste will

be \$24.56 in 2023. It will increase slightly (less than \$2.00 each year) until 2027.

- Meridian Waste will provide each household one (1) ninety-five (95) gallon trash cart and one (1) sixty-five (65) gallon recycling cart at no charge. You may request a (65) gallon or (35) gallon trash cart in place of the (95) gallon cart the first ninety (90) days of your service starting.
- If you require additional carts for trash and/or recycling you must lease them from Meridian Waste at a rate of \$5.00 per cart per month.
- Meridian Waste will provide pick-up for bulky waste items each week with a maximum of two (2) items per week. Bulky items must be scheduled prior to collection.
- Up to twenty (20) (in total) yard waste bags containers or bundles will be picked up each week.
- Meridian Waste will collect white goods one (1) time per month. White goods must be scheduled prior to collection.

More information will be rolling out on the City's website, including a FAQ section and through emails and social media.
