## INVASION OF THE SCARECROWS

Once again, the City of Eureka will come alive from September 27th through the end of October with the Eureka Scarecrow Festival featuring creative and whimsical scarecrows posing regally in front of businesses, churches and schools. Whether you visit uptown Eureka, along Fifth Street, running parallel to I-44, or stroll down Central Avenue in Old Town Eureka, you will experience a fun and festive feast for the eyes. For information regarding voting for your favorite scarecrow and upcoming activities visit [www.eurekascarecrowfestival.com](http://www.eurekascarecrowfestival.com)

## HARVEST MOON FESTIVAL

The 9th Annual Harvest Moon Run will take place in Route 66 State Park on Saturday, October 12th. It will feature the Moon Dude Dash for kids ages 10 and under and a 5K Night Run/Walk. The cost is \$30.00 for the 5K, \$25.00 per participant for teams of six (6) or more and Free for the Moon Dude Dash for kids ages 10 and under. Proceeds will benefit the Eureka Food Pantry and the Eureka-Pacific Elks Lodge Weekend Backpack Food Program. To participate, you may sign up at [www.harvestmoonrun.org](http://www.harvestmoonrun.org) For additional information, you may contact Economic Development Director Julie Wood at [jwood@eureka.mo.us](mailto:jwood@eureka.mo.us) or 938-5233.

## NEW GOLF CART REGULATIONS

The Municipal Code has been amended relating to the operation of golf carts. Golf carts are permitted for travel on City streets with a posted speed limit of not greater than thirty (30) miles per hour. One must possess a valid Driver's License and Insurance when operating a golf cart on streets within the City, and the golf cart must first pass an inspection to verify compliance with National Traffic Safety standards. An inspection appointment must be made through the Building Department, and such inspections are performed at City Hall. Upon passing the inspection, the City will issue a compliance sticker (at no cost) which must be displayed in the lower left-hand portion of the windshield. Golf carts are prohibited within the boundaries of any City Park (other than designated parking areas), trails, sidewalks or medians. To view all of the new golf cart regulations, a PDF of the Ordinance is available on the City's website at the bottom of the "Municipal Code & Amendments" webpage, or a hard copy is available at City Hall.

## NATIONAL PREPAREDNESS MONTH

The Eureka Police Department and Eureka Fire Protection District would like to remind you that September is National Preparedness Month. There are a number of severe weather hazards that affect Missouri, including thunderstorms, tornadoes, lightning, floods and flash floods, damaging winds and large hail, snow and ice. Severe weather hazards have the potential to cause extensive property damage, injury and/or death. The National Weather Service and the American Red Cross have developed Emergency Preparedness Guides, which contain information about winter weather terms and tips for staying safe at home, in the car and at work or school.

Emergency preparedness is no longer the sole concern of earthquake prone Californians and those who live in the part of the country known as "Tornado Alley". Knowing what to do during an emergency is an important part of being prepared and may make all the difference when seconds count. Go to [www.ready.gov](http://www.ready.gov) for preparedness tips. For additional information, please contact Police Chief Michael Wiegand at 938-6600 or the Fire Protection District at 938-5505.

## WATCH FOR SCHOOL CHILDREN

Just a reminder, please observe speed limits and watch for school children. State law and City ordinances require drivers to STOP when school buses load and unload and when pedestrians are using crosswalks. The 20 MPH school speed zones will be enforced during school hours.

### **SANITARY SEWER BACKUP INSURANCE**

For protection against sanitary sewer backups, check with your insurance carrier to see if a rider is required for home and property damage coverage. The City is not liable for these occurrences; therefore, individual coverage is needed.

### **BOARD OF ALDERMEN ACTION**

Adopted the following by Ordinance:

- Authorizing entering into an agreement with Missouri American Water for City Water and Wastewater Appraisal Services
- Amending the Municipal Code relating to Medicinal Marijuana Regulations
- Authorizing entering into a contract with CivicPlus for Website Design and Hosting Services
- Authorizing entering into a contract with Gerstner Electric for Traffic Signalization

### **CodeRED EMERGENCY NOTIFICATION SYSTEM**

The CodeRED emergency notification system is a communication service available for emergency notifications such as a missing child, evacuation, bomb threat, hostage situation, natural disaster, terrorism threat, chemical spill or other emergency incidents where rapid and accurate notification is essential for safety, plus severe weather alerts if you so choose. CodeRED can employ mapping capable of geographic targeting of calls, coupled with a telephone calling system capable of delivering a pre-recorded message at a rate of up to 60,000 calls per hour. You may select which type of warning you wish to receive and/or receive multiple alerts sending each to a different phone number if you so choose. CodeRED can reach Eureka residents by residential phone, business phone or cell phone. The system will make three (3) attempts to contact citizens and will leave messages in voicemail and on answering machines. The system can also send e-mails if desired.

The only way to ensure that your information is entered into the CodeRED system is to sign up for the notifications. You will be asked to provide your phone number and home address so that notifications made only to selected neighborhoods will be accurate. Again, your contact information will only be used for emergency notification purposes. To register or if you have questions regarding the CodeRED service, you may access the CodeRED website via the City's website at [www.eureka.mo.us](http://www.eureka.mo.us) or contact the Eureka Police Department at 938-6600. The service is free for Eureka residents.

### **SANITARY SEWER BLOCKAGES**

We occasionally encounter problems with grease deposits causing blockages in our sanitary sewer system and would like to remind you to dispose of grease properly and avoid pouring it down the drain as it hardens over time and becomes lodged in the line causing backups and problems at the treatment facility. Used grease may be disposed of by pouring it into a metal can with a plastic lid. Vegetable shortening cans will not work since they are foil lined and cannot withstand the heat. Once it has cooled and solidified it can be disposed of in the trash can. Oils that do not solidify can be saved and reused as long as they are strained, refrigerated and used within a few weeks. Small amounts of oil can be used to lubricate squeaky hinges, wheelbarrow and wagon wheels, pruners, loppers and garden scissors. It can also be applied to garden shovels and spades to prevent them from rusting. A thin coating can be applied to a snow shovel to prevent the snow from sticking. If these options won't work for you, to help solidify this type of kitchen oil try mixing it with bark chips, kitty litter or sand and then disposing of it with your normal household waste.

### **COMMUNITY EVENTS**
